

■ Safety Certification

| Regulations | Product category | Applicable product |
|---|--|---|
| IEC 62368-1 EN 62368-1 UL 62368-1 GB 4943.1 | Audio and video, information technology and communication technology equipment | Switching power supply, transformer Adapter, industrial power supply Computer, server |
| IEC 61347-1/2-13 EN 61347-1/2-13 GB/T 19510.1 GB/T 19510.203 UL 8750 IEC 60598-1 | Lighting appliance | LED driver power supply LED controller LED luminaire |
| IEC 65158-1/2-16 EN 65158-1/2-16 GB/T 19212.1 UL 1012 UL 1310 | Switching power supply Transformer | Switching power supply Transformer Adapter |
| IEC 60335-1 EN 60335-1 UL 60335-1 GB 4706.1 | Household appliances | Switching power supply for household equipment Power adapter for household devices Refrigerator, coffee machine and other home appliances |
| IEC 60601-1 EN 60601-1 ANSI/AAMI ES60601-1 GB 9706.1 | Medical electronic equipment | Switching power supply for medical equipment Power adapter for medical equipment Medical electronic equipment |
| IEC 62477-1 EN 62477-1 | Power electronic conversion equipment | Inverters and converters |
| IEC61010-1/2-201 GB 4793.1 | Electrical equipment for measuring and laboratory purposes | Electrical measuring equipment Power supply for laboratory equipment |
| IEC 62109-1/2 EN 62109-1/2 | Equipment for photovoltaic power generation system | Inverters for solar equipment Power supply for photovoltaic equipment |
| EN 50563 EN 50564 IEC 62442-3 IEC 62301 GB 20943 | Electronic products related to energy efficiency requirements | External switching power supply Power adapter |
