

Virtual Expo Monthly Update Notice

MEAN WELL Virtual Expo is updated monthly, details as below.

2024. 10.04

Hall's Name	Topic	Descriptions
A1. Enclosed Type PSU Hall	Product Introduction	Update product roadmap
	Case Study	<ol style="list-style-type: none"> 1. SHP-10K-55 series is used in swimming pool chlorinators 2. UHP-2500-24 series is used in mobile metal bender 3. SHP-10K-380 series is used in centralized greenhouse lighting
A2. LED Driver Hall	Product Introduction	Update LED driver roadmap Add KNX products roadmap and display products roadmap
	Case Study	SHP-10K-380 series is used in centralized greenhouse lighting
A4. PCB Type PSU Hall	Media Center	Add LOP series introduction video
B1. Green Adaptor Hall	Case Study	Add NGE65I09-P1J series is used in athlete thermal therapy device
B2. DC/DC Converter Hall	Product Introduction	Update product roadmap
B4. Medical Type PSU Hall	Media Center	Add LOP series introduction video
	Case Study	Add NGE65I09-P1J series is used in athlete thermal therapy device

2024. 09.05

Hall's Name	Topic	Descriptions
A3. DIN Rail PSU Hall	Product Introduction	Update product roadmap
B2. DC/DC Converter Hall	Product Introduction	Update DC/DC Module Type Selection Guide
	New Products	Add N78-2 series: 2A Miniaturized High Efficiency DC-DC Switching Regulator
	Case Study	Add N78-2A series application
B3. Charger, Inverter & VFD Hall	Product Introduction	Update Charger roadmap Update Inverter roadmap
C1. Accessories Hall	Product Introduction	Update product roadmap: Add LED bulb and update pictures of inductive proximity sensors
	Media Center	Update new videos of Tubular Anti-bending Type Inductive Proximity Sensor and Metal Casing Rectangular Type Inductive Proximity Sensor
C3. Green Technology Hall	Overview	Update product roadmap of Green energy , Energy-efficient , Energy storage

2024. 08.05

Hall's Name	Topic	Descriptions
A2. LED Driver Hall	New Products	Add CF series: 12V/24V COB LED strips and MA60 series: 10W LED Bulb
	Case Study	Add MA60 series LED bulb application
C1. Accessories Hall	New Products	Add MC13 series: metal distribution box
	Case Study	Add MC13 series application

C3. Green Technology Hall	Overview	Update product roadmap of Green energy , Energy-efficient , Energy storage
	New Products	Add Photovoltaic module , MPPT controller and power controller
C4. Product & Technical Service Center	3+N Products Application	Change the display way of Case Study

2024. 07.05

Hall's Name	Topic	Descriptions
A1. Enclosed Type PSU Hall	New Products	HRPG-N3 series: Add HRP(G) series introduction
	Case Study	Add UV label presses, collaborative robots and magnetron sputtering coating/high-end vacuum coating equipment
A4. PCB Type PSU Hall	Case Study	Add podology machine: foot care suction units
B2. DC/DC Converter Hall	Product Introduction	Add DC/DC module type selection guide (excel file)
B4. Medical Type PSU Hall	Case Study	Add podology machine: foot care suction units
C1. Accessories Hall	Introduction	Add overview
	New Products	Add ST series: metal distribution box
	Case Study	Add ST series application
C2. Automation Hall	New Products	Add PCBA Process Standard: SMT Solution in Media Center
C4. Product & Technical Service Center	Overview	Update the overview
	3+N Products Application	Power Supply with Controller Applications: Add UV label presses and magnetron sputtering coating/high-end vacuum coating equipment

2024. 06.05

Hall's Name	Topic	Descriptions
A2. LED Driver Hall	Product Introduction	Add LED Driver Catalog
A3. DIN Rail PSU Hall	Media Center	Add EV charging solutions
A4. PCB Type PSU Hall	New Products	Add LOP series E-DM
	Media Center	Add EV Charging Solutions video
B1. Green Adaptor Hall	Product Introduction	Product Roadmap : Removed old generation wall-mounted models include GS05/06, SGAS06/15/60 series, SGA12~60 U/E series, GSM06~60 U/E series, GE12~40 I type, GEM06~60 I type
	New Products	Add NGE12/18 series and NGE30/45/65/90 series E-DM
	Media Center	Add NGE series introduction video
B3. Charger, Inverter & VFD Hall	Product Introduction	Roadmap: Updated NTN-5K Spec.
	New Products	<ul style="list-style-type: none"> ● Add NTN-5K series: 5KW Off-Grid Industrial Grade 2-in-1 Charging Inverter ● Add NTN-5K Introduction video ● Add NTN-5K E-DM ● Add VFD introduction video

	Solutions	Add EV charging roadside assistance
B4. Medical Power Supply Hall	New Products	Add NGE and LOP series E-DM
C1. Accessories Hall (Original PowerNex)	Product Introduction	<ul style="list-style-type: none"> ● Roadmap: Updated the 1st page ● Update E-Product catalog
C2. Automation Hall	Inquiry Form	Add inquiry form
C3. Green Technology Hall	Product Introduction	Update Product Roadmap of Intelligent Energy and Energy Storage
	New Products	<ul style="list-style-type: none"> ● Add NTN-5K series: 5KW Off-Grid Industrial Grade 2-in-1 Charging Inverter ● Add NTN-5K introduction and function demonstration video
	Solutions	Energy Storage Applications: Add EV charging roadside assistance
	Inquiry Form	Add inquiry form
C4. Product & Technical Service Center	Mission/ Guideline/Team	<ul style="list-style-type: none"> ● Combined Technical Support and After-sales Service buttons to this webpage ● Add KNX Power Solutions button to Technical Support ● Add EV Charging Solution video to Product & Application Videos
	3+N Products Application	Product Introduction: Update Smart Controller Roadmap (NTN-5K) Solutions: <ul style="list-style-type: none"> ● Power Supplies with Controller Applications: EV Charging Rodeside Assistance ● Lighting Control & Smart Building Applications: KNX-DALI Lighting Control Solution
	3+N Inquiry Form	Add Inquiry Form

2024. 05.05

Hall's Name	Topic	Descriptions
Entrance		Removed "Carousel slider", "Industrial Applications & Technical Support" and "Solution" parts. Moved the "Monthly Update" to the top menu
A1. Enclosed Type PSU Hall	Solutions	Add burn-in system and outdoor mobile cooling system applications
A2. LED Driver Hall	Media Center	Add DALI touch panel customized symbol service: DTP series
B1. Green Adaptor Hall	Media Center	Add NGE100(U) series introduction video
B2. DC/DC Converter Hall	New Products	Add RQB150W12 series: 150W 1/4 Brick 14~160Vdc Ultra-Wide Input Railway DC/DC Converter
	Solutions	Add RQB150W12 series application
B3. Charger, Inverter & VFD Hall	Solutions	Add e-hyperkart power solution and camper van applications
B4. Medical Type PSU Hall	Product Introduction	Add medical power catalog(PDF)

C1. PowerNex	Product Introduction	<ul style="list-style-type: none"> ● Product Roadmap: Add lighting fixtures & accessories: DALI-2 touch panel and LED strips ● E-Product catalog: increase the catalog from 46 pages to 72 pages
	New Products	<ul style="list-style-type: none"> ● Add grounding copper busbar: CU25003T(-N) Series ● Add CF Series: 12V/24V COB LED Strips
	Media Center	Add DALI Touch Panel Customized Symbol Service: DTP series
	Solutions	Add grounding copper busbar and LED strips application
C3. Green Technology Hall	Solutions	<ul style="list-style-type: none"> ● Energy-efficient applications: add burn-in system ● Energy storage applications: add E-hyperkart power solution and camper van
C4. Product & Technical Service Center	Product Introduction	Update 19" Rack Power Roadmap and System Power Roadmap
	Technical Support (Original Tech Insights)	<ul style="list-style-type: none"> ● Removed Tech Insights ● Add Product & Application Videos button ● Product & Application Videos: Add NTN-5K introduction and function demonstration
	3+N Products Application	Energy saving and green energy applications: add burn-in system

2024.04.05

Hall's Name	Topic	Descriptions
A1. Enclosed Type PSU Hall	Product Introduction	Add Lead Acid Battery Introduction in product roadmap
A3. DIN Rail PSU Hall	Product Introduction	Add Lead Acid Battery Introduction in product roadmap
B2. DC/DC Converter Hall	Product Introduction	Update on board type with potted products
	New Products	Add MDS/MDD01/02-Nseries: 1W/2W Module Type Medical Grade Unregulated and Isolated DC/DC Converter
	Solutions	Add MDS/MDD01/02-N series application
B3. Charger, Inverter & VFD Hall (Original Charger & Inverter Hall)	Product Introduction	Add roadmap of VFD series and lead acid battery introductions
	New Products	Add VFD series : 150W~750W Industrial Brushless DC Motor Controller and Driver
	Media Center	Add VFD application: The Musical Fountain in SuZhou MEAN WELL Smart Park video
	Solutions	Add variable frequency drive module applications
C1. PowerNex (Original C2. Automation Hall)	Product Introduction	Add lead acid battery in the product roadmap
	New Products	Add DJM / FT series : 12V/38~150AH 12V/38~150AH Valve Regulated Sealed Lead Acid Battery

	Solutions	Add lead acid battery application
C2. Automation Hall (Original C1. PowerNex)	New Products	Add JS-680/680XL Series: Irregular Shape Plug-in Machine and PN-FF200 Series: Vision Flexible Feeder
	Solutions	Add applications of industrial robot and irregular shape plug-in machine
